

Coordinated Science Laboratory
Department of Mechanical Science and Engineering

The Parallel Computing Institute at the University of Illinois at Urbana-Champaign

Announces

Computational Fluid Dynamics on GPUs

An intensive short course
for graduate students and faculty

parallel
COMPUTING INSTITUTE

**Monday, January 9 to
Wednesday, January 11, 2012**

Lead Faculty:

Prof. Pratap Vanka, Professor of
Mechanical Engineering

Prof. Wen-mei Hwu, Co-author,
Programming Massively Parallel Processors

Registration & information: <http://cfd-on-gpus.hwu.crhc.illinois.edu>
