

A Research Experiences for Undergraduates Program (REU) in Summer 2011

LA-SiGMA members conduct research on four focus areas:

- Electronic materials
- Energy materials
- Biomolecular materials
- Cyberinfrastructure

30 students at 6 sites will join faculty members to conduct research in one of these areas.

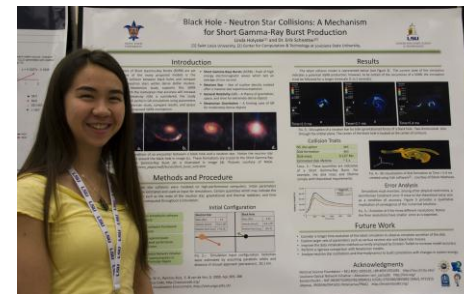

Application Requirements:

- Must be a science or engineering major, with an interest in materials science
- Must have a 2.75 GPA
- Student is considering a career in research and/or graduate school in your major
- Participants must be US citizen, or permanent resident

•For more information, visit our website at:

<http://reu.lasigma.loni.org/>

•Contact Leigh Townsend with questions at lgalat1@lsu.edu or (225) 578-5381

About the program:

- REU lasts 9 weeks, from May 30-July 29 (except Xavier, which begins May 23 and runs 10 weeks)
- Participants receive a \$4500 stipend, a \$400 travel allowance, and on-campus housing

LA-SiGMA is supported by the National Science Foundation award number #EPS-1003897.
